NEW FACILITY DEDICATED

Mattapoisett dedicated its brand new, state of the art, police station on Saturday as the Selectmen and Police Chief hosted a ribbon cutting ceremony and conducted a tour of the 9,000 square foot facility and its connected 2,000 square foot garage.

Chairman of Selectmen Bernard F. Talty welcomed the many guests who appeared at the opening. He praised the new build-

with the architects and builders and Chief of Police James F. Moran to assure the town the highest quality in construction. Mr. Talty pointed out that the town flagpoles on the west front of the station were gifts. One flagpole is dedicated to the memory of the late Alden Kinney, Mattapoisett's first Police Chief, and was given by his wife and family who were present. The other pole was the gift of the adjoining property owner, Barry Perkins.

The building's handsome blinds were donated by Dennis Mahoney & Sons Inc.

Selectman John DeCosta led townspeople in the Pledge of Allegiance to the Flag. The Reverend Matthew Sullivan of St. Anthony's Church opened the ceremonies with a prayer for the new station and for the Mattapoisett police who protect the town's inhabitants.

Sheriff Peter Flynn offered his personal congratulations and that of his office for the fine facility. He also extended greet-

ings and congratulations from State Senator William Q. MacLean, Jr. who was briefly present to see the new building and to congratulate Chief Moran and the Selectmen but who had to leave for a wedding before the formal ceremony began.

District Attorney William O'Malley was represented by Assistant District Attorney Frances McIntire who spoke high praise of the Mattapoisett police force and offered the congratulations of the District Attorney's office on the new police station.

She said that D.A. O'Malley is recovering from a recent illness so he was unable to appear in person.

State Representative John Bradford was recognized in attendance and was introduced. He offered his congratulations and good wishes to the Mattapoisett Police and townspeople.

Chairman Talty then presented gifts to Selectman Hubbard in recognition of his great service to the town as Clerk of the Works. Mr. Talty directed the unveiling of the street sign Hubbard's Way leading past the front door from Route 6 to Church Street in honor of that labor of public service.

Chief Moran also had a gift for Mr. Hub-

bard and presented a photo album representing each step of construction starting from the very first day. The Chief said that Mr. Hubbard's expert supervision had been invaluable. He also had the highest praise for both builder and architect and mentioned that only 7 changes had been made in the original concept so well had been the planning and the construction.

Chief Moran then had his police squad act as tour guides as they escorted the guests through the building which is beautifully furnished with offices, control desks, interrogation areas, male and female cell blocks, ambulance supply room and garage area. The entire area for bringing in prisoners and for questioning is monitored by closed circuit television so that at every step a double security is in place. The building is equipped with the very latest in police technology. At the conclusion of the tour, guests were offered refreshments in the garage.

Selectmen's Meeting

JUNE 20, 1989-by VIRGINIA MORGAN

During the brief Selectmen's meeting last Tuesday conducted by Selectman John DeCosta in the absence of Chairman Bernard F. Talty, Selectmen DeCosta and William F. Hubbard agreed to set the pay at $15. per call to the deputy shellfish constables when they are working in the capacity of assisting the dog officer. They will receive this amount and be on call only when Shellfish Constable Brian Nunes is officially off duty. Constable Nunes is also acting as dog officer during his working hours.

The Selectmen accepted with regret the resignation of James M. Shepley from the Conservation Commission, effective July 1, 1989. Mr. Shepley completed 18 years of service on June 21, and due to a major change in his business situation feels he can no longer continue full-time participation on the Conservation Commission.

Selectman agreed to present Mr. Shepley with a certificate in recognition of his many years of service to the town.

The Board will express by letter to SRPEDD (Southeastern Regional Planning and Economic Development District) their concern that

SRPEDD is proposing to impose a one-year moratorium on the Municipal Assistance Program.

Mattapoisett has been paying a yearly fee for their services and they will be sorely missed, the board agreed. Mattapoisett indicated by letter they wish to go on record as being opposed to any plans to delete this valuable service and hope that SRPEDD would investigate other avenues and alternatives in order to answer that budgetary problems.

A copy of a letter sent to Mr. Allan Campbell, chairman of SRPEDD from Mr. Stephen J. Lombard, executive secretary of Norton, expressed extreme concern of the proposal and urged all Boards of Selectmen in the SRPEDD sector to send a letter of concern.

A memo was received from Council on Aging Chairman Eleanor Lynch noting that the local Council on Aging is state mandated. Town Administrator noted the state says the town has to have the service but not to what extent the services are offered.

Advanced notice was received from SEMASS advising that the Waste Acquisition Agreement between Mattapoisett and SEMASS Partnership will commence August 11, 1989. The anticipated acceptance fee is $17.20 per ton. Acceptance fees include tipping fee of $12. per ton, acid gas scrubbers of

Two letters were received expressing concern that certain departments may have their budgets severely cut or eliminated if the article seeking funds for the operation of the town government does not pass at the June 27 special town meeting and the special override election on July 11.

The Board of Deacons of the Mattapoisett Congregational Church expressed concern that the Selectmen, due to budget constraints, were proposing to eliminate the paid director's position for the Council on Aging.

The letter read, in part, "Programs for the elderly are particularly important in this community because seniors make up such a large proportion of the population. In addition, we need to realize that the elderly can be quite vulnerable and in need of the community's support. Having a paid professional to coordinate these programs is essential. Surely compassion and humanity would say that the small amount of money to be saved, less than two cents per day per senior citizen served, just isn't justified."

A second letter was received from Mrs. Madeleine Furnans expressing her concern with regard to the beach remaining closed for the summer. Selectmen said they understand the letter writers' concerns, and will take them under consideration.

Planning Board Chairman William H. Matthews said questions have been raised to the board regarding the approval of the preliminary plan review of the Mattapoistt Golf Community (Nunes Farm) presented by the Keller Company Inc. of Hingham. The Planning Board did not grant use of the railroad bed for access to the northerly lots to the Keller Company. The board did say the use of the railroad bed for access to the northerly lots should be brought before the Board of Selectmen and development of these lots is subject to permission of the town across this property. Such approval will have to be submitted to the Planning Board at the time of submission of the definitive plan. The June 21 issue of the Presto Press indicated the Planning Board has granted use of the railroad bed to the company. This reporter apologizes for any inconvenience to the Planning Board.

Budget Cuts Proposed

MONDAY-JUNE 19, 1989-by VIRGINIA MORGAN

The Mattapoisett Board of Selectmen and several department heads met for what Chairman Bernard F. Talty termed the third and final hearing on the departments' proposed cuts in the fiscal 1990 budget and how their departments will operate on level funding at the fiscal 1989 budget. Chairman Talty said the Selectmen are taking this turn of events

very seriously. "We really don't know, at this time, what our state aid will be."

The Chairman said "We are going to have to make some tough choices. We are providing a forum to hear department heads and how they will operate with less money. We are asking the police brotherhood and the teachers' union to accept level funding. If the original budget voted at the May 1 annual town meeting and defeated at the June 6 override election is passed on June 27th's special town meeting and passed as an override at the July 11th special election, we will pay salaries retroactively to the July 1 increases. If it is defeated again, we will have to meet with the Finance Committee and department heads to take line-by-line reduction to reach the approximately $400,000 cut. The exact figure will depend on state local aid," The Chairman said.

WATER/SEWER DEPARTMENT - Water/Sewer Commissioner Charles A. Morgan explained the cost of the sewer operation with Fairhaven is going up $12,000 more than expected. The user fee to customers of the sewer service will also go up. He said "We are contract bound to pay these rates to Fairhaven." He noted the water rates and charges could be raised; however, "We are limited to the amount we can charge.

We are not allowed to exceed five percent of the cost of operation. By cutting our budget we might legally have to cut our water rates, which would be self-defeating. We cannot make a profit", he added.

Commissioner Morgan mentioned the Enterprise Fund which the Water/Sewer Department has the legal right to use now. "We could accumulate funds for a capital expenditure, and an Enterprise Fund can operate outside the town budget."

Water/Sewer Superintendent William T. Nicholson said the department has four field employees, including himself, and one full-time secretary. Part of the increase is for wages and expenses. "When the corrosion control facility is in operation we will have to use one of the three men at various times at the control facility, at the sewer station and other work, so there is no way we could operate the department with less employees", the Superintendent said. "We collected $198,490 in water fees last year", he added.

PUBLIC LIBRARY - Librarian Director Sue Tweedy explained that even if the library closed for one year and opened next year it would not be eligible for state grants this year. "The state does not require other towns to take over our library services. If you close the library, a lot of people will suffer."

Three pages of information on the operation of the library were distributed, and it was noted that the typing and printing costs were at no expense to the public library funds. The Library's Trustees and Director believe that the fiscal 1990 budget request was prepared to give the maximum return for the minimum investment. "We believe that a 30 percent reduction of the Library's budget (21.7 percent from override and 9 percent loss of state revenue) would cripple its ability to serve the public. The Library budget

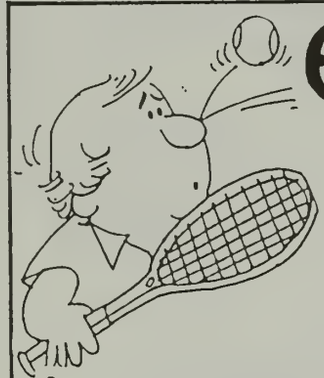
represents about 12 cents on the tax rate, or about $30.00. The purchase of one adult, hardcover fiction book ($18.95) and one children's book ($12.95) total $31.90. For less than the price of two books, Mattapoisett taxpayers have access to over 6.3 million books; that's a real bargain."

Mrs. Tweedy said "We cannot charge for services. We are open 28 hours per week and have five employees, full and part-time. Part of the $16,246 increase is to cover the computerization service ($11,088) plus an increase in purchasing books and periodicals and maintenance."

HIGHWAY DEPARTMENT - Highway Surveyor Wesley N. Bowman explained the department has six employees, including himself. "We've just lost a mechanic and are advertising for a replacement. Our budget is up $15,000 partly due to expenses and the lease/purchase agreement on the loader." He agreed with Selectmen Talty and John DeCosta that he could give up some road repair money.

BOARD OF ASSESSORS - Chairman John D. Gibbons explained the $7,755 increase can be reduced by $5,000, taken from the 1989 Reserve Fund for the evaluation. "We will need $4,600 for personal property in-



eye talk

Q. My tennis game is getting worse. A friend jokingly said, "Get your eyes examined." Could my eyes be the problem?

A. They might be. Many different vision skills are needed to play any sport well.

With a thorough eye examination, your optometrist can tell you if you lack certain skills or need to sharpen some.

In tennis, for example, sharp distance vision, especially when you and the ball are in motion, helps you keep everything in focus.

Peripheral awareness helps you keep an eye on your opponent, partner and court boundaries. You use depth perception to judge the ball's speed and position and vision pursuit skills to follow it. Eye-hand-foot-body coordination helps you get into position to hit the ball.

You may be able to sharpen your vision skills with a vision therapy program. Sometimes, glasses or contact lenses are needed.

ventory this year. We have a private company who charges 75 cents per parcel (we have 3,200 parcels) and we cannot do the complete assessing ourselves for that amount."

SHELLFISH PROPAGATION - Shellfish Constable Brian Nunes explained "We might possibly be in violation of state law if the town fails to take control by enhancing its resources. The state inspectors are understaffed and the state would probably shut down shellfishing in town altogether. We receive $5,000 in shellfish reimbursement funds based on the total shellfish propagation budget. We will take a cut there. If you take away any of the budget, we will lose some grant money."

Constable Nunes said "We could reduce the number of shellfishing days from seven to three days only per week and raise fees. People won't buy licenses if the days are cut down. We've raised $7,500 in license sales this year. Now, what will they get for their money", Nunes asked.

BUILDING INSPECTOR - Andrew J. Bobola "My expense budget is $2,100 of which about $400. could be cut. A part-time inspector salary is $1,100 and could be cut $500. We could go with less hours. The fees we collect, however, more than cover budgets every year. As of April 30, $17,000 has been collected in fees. These funds cannot be used this year, but put into free cash for next year."

fiscal 1990. Mr. Pryce said, "We can operate a little bit with less money, but what do we do when we get a storm and trees fall in the street." Trees have to be the right height for safety and not hit power lines, he added.

PLANNING BOARD - Chairman William H. Matthews explained the $2564 increase is for 25 hours per week secretarial services. "We have been extremely busy and are considering increasing the number of meeting nights. We are paying our own way, having collected $1,900 in fees from Keller Company on the Nunes farm plan, with $7,600 expected in October on definitive plan fees."

The Planning Board performs a necessary function, Chairman Matthews said. The plan has to be acted upon; and if not acted upon, it will go by default.

APPEALS BOARD - Clerk Daniel O. Mahoney said, "We have some of the same problems as the Planning Baord. If we don't act on variances in a certain time frame, it becomes an automatic grant. We have collected $5,000 this year as of April 30. We need a town engineer, a town planner, and a secretary. Our major budget item is secretarial services which we share with the building inspector. More people want to live here and there is shrinking land for building; some land is marginally useable."

COMMUNITY BAND - Paul H. Alves, Band Committee Chairman, explained the $4,346 budget is used for the band director's salary and expenses of 16 musicians. A small amount is used for sheet music.

Ms. Dianne Perry, school teacher, commented, "I don't know what I can do and cannot do to help educate the public. I'd like to become more involved, but I've found out recently there are certain things I cannot do when working in a public school system." She felt the Selectmen should do more to get the information and explanations to the public without sounding biased.

Finance Committee member Robert Banz, who has been spending a great deal of volunteer time helping Selectmen plan budget strategy, said the town will sustain less growth than in past years; growth is down this year. "We estimated $50,000 in growth for next year - it was $79,000 last year."

Chairman Talty and Mr. DeCosta urged voters to vote at the Special Town Meeting at 7:30 p.m. Tuesday, June 27th, at Old Rochester Regional High School and to vote in the Special Election override on July 11th, at Old Hammondtown School.

This is the seventh year MMR has awarded scholarships to tri-town area residents. Since 1983 MMR has awarded over $95,000 to more than 125 area students.

This year's re-entry scholarship was presented to Janis Andrews Johnson who will attend Rhode Island College. The continuing education awards went to Scott Couto (Babson), Patrick Dawson (Assumption), Brandon Garde (URI), Melanie Kellum (SMU), Stephanie Martin (SMU), Amy Reardon (Tufts), Amy Reynolds (UMass), Cary Tripp (Stonehill), and Ann Wallace (Drew Univ.).

Seniors at four area high schools also received scholarships. These awards included Geoffrey Kelley at Tabor Academy, Victoria Camacho and Paul Holmstrom at Old Colony, and Sandra Dawson and Joann Greene at Bishop Stang. The remaining scholarships were presented to the following Old Rochester Regional students: Lee Barnes, Rachel Bates, James Bellefeuille, Regina Bernard, Christine Dolan, Gary Gray, Lisa Heinz, Edward Jawor, Jennifer Morris, Craig Pinto, Joshua Pond, Naomi Souza, and Patrick Wetmore.

The Board of Trustees offers its congratulations to all the scholarship recipients and wishes them well next year.

Being in the carpet business for over 10 years does have its advantages. We have found a way to offer a selection as wide as that of our competitors, at lower prices. The "way" is simple. Our costs are lower.
We've noticed that the public tends to assume that bigger "must" be better. In the carpet business, this has traditionally meant that a wide selection and lower prices can only be possible through a large inventory. This simply isn't true.
At Carpet Mart we order, direct from top manufacturers, only the carpets that our customers want. With no major inventory costs, and no middlemen, we are able to pass the savings on to our customers.

EXHIBIT-SHIPBUILDING MATTAPOISETT

During the month of July the Mattapoisett Historical Society will feature an exhibit at the Museum of Shipbuilding in Early Mattapoisett.

Mattapoisett can be proud of its heritage as a world-renowned shipbuilding town during the era of whaling. More than 300 ships are known to have been built in Mattapoisett and a great many more probably were but records were lost or destroyed in fires.

The exhibit will show the tools used in those early days, pictures of the shipyards, a wooden Beetle Cat partly com-

TV Stars in Marion Benefit

MARION ART CENTER

Several members of the cast and crew of "The Cosby Show", "Different World" and "Head of the Class" are coming to Marion to do a benefit for the Marion Art Center on July 14th, 15th and 16th. Cosby Show Director Tony Singletary, a Wareham summer resident, has been working all year with a special event committee at the Art Center for this performance of All American Comedy featuring nationally known television stars.

At a time when government assistance to the arts has been dramatically reduced, it is indeed very special to have these stars committing themselves and their talents to support a small local arts center where the creative stars of the future can learn music, art, theater and dance. Most of the money from this fund-raising event will be used for scholarships, and a donation will be made to Old Rochester Reg-

Flag Day, Old Hammondtown

The entire student body and staff at Old Hammondtown School assembled around the Flag to commemorate Flag Day. The Old Hammondtown School Band, under the leadership of Mr. Stan Ellis, opened the ceremonies with the Star Spangled Banner. Principal William Reed led everyone in the Pledge of Allegiance.

Every student wrote an essay on "What the American Flag Means to Me". The teachers chose selections which were presented at the ceremonies.

Among those chosen were:

Fourth Grade: "What the Flag means to me is that we can be free and do as we please. We can go anywhere and live anywhere. There is nobody to boss us around and we can do whatever we want to as a job when we grow up. We are loved and taught well in school in America. I can make my own decisions and not have to worry about anything. Our Flag is the greatest symbol of all because it shows that we really are free." by Julie Peters.

Fifth Grade: "The Flag to me stands for Democracy, Freedom, and Independence. In China, all the people want to

do is to get a little Democracy and to have some say in their lives, but the government won't have it. They got in their tanks and trucks and went to a central square, which is where the students met to get the government to notice them and give them Democracy. In the United States we already have Democracy and don't have to fight for it because our country was founded on Democracy. When I see what is happening in China, I am glad I live in the United States. In the United States we have freedom of speech, unlike other countries where if you say something inappropriate you might get arrested. Also, we have independence. We are allowed to have any religion, go to any church, buy any clothes, and live anywhere we want. When I see our flag I think about how lucky I am to be free." by Molly Wilkins

Sixth Grade: "The American Flag means freedom and peace. It shows patriotism and that the people in this country are proud of what they are. Our freedom is shared with immigrants from other countries. The flag means that we are an important part of this world. It stands for all the ancestors that helped develop and build a strong nation for this generation. And we must continue to develop this country for future generations. Today, Flag Day, is special because we are celebrating all these reasons." by Jason Ruel

Any voter who will be out of town on that date is urged to request an absentee ballot. (Call the Town Clerk's office at 758-3758, for information.)

The Council on Aging office is the one, and only, link of communication with every senior in town. To deprive the town of a director for the office would be to deprive the town of a most valuable service. A trained professional in the office is absolutely essential. Our volunteers do not have the expertise, or time, to handle the many inquiries that come to the office.

The director is knowledgable in handling requests for aid to our seniors. She is responsible for scheduling the senior van, preparing many reports, preparing application for grants from both state and federal sources. These are but a few of the many tasks handled through the COA office.

The senior population in our town is now 25% of the total permanent population, and it is growing. These residents should not be treated as second class citizens. Compassion should be shown to those whose later lives should be made as comfortable as possible. Seniors are entitled to support from the entire community. We urge you, the voters, to vote YES for the revised

GI INSURANCE PREMIUMS MAY BE WAIVED FOR TOTAL DISABILITY

National Service Life Insurance policies provide for waiver of premium payments if you are totally disabled commencing before your 65th birthday and continuing for six months.

Total disability is defined as any impairment of mind or body which continuously makes it impossible for the insured to follow any substantially gainful occupation. The disability does not have to be related to military service.

When your right to a waiver is established,

you will not have to pay premiums as long as you are totally disabled and the face amount of your policy will not be decreased.

If premiums on a term policy are being waived at the time it is converted to permanent plan, premiums will also be waived on the converted policy.

Waiver is not automatic. You must file a claim, preferably on VA Form 29-357. If you apply you should continue to pay regular premiums until the VA notifies you of your right to a waiver.

If you die, a beneficiary may file a claim for waiver within one year after death. For more information contact your local office. In Mattapoisett and Rochester, the number is 758-3758.

A public service of the Tri-Town League of Women Voters, Kay Reis reporting
MEETING OF JUNE 14

Ronald Turowetz, Quail's Crossing - continued hearing on 4 Notices of Intent to build an access road across wetlands and 3 single family homes with septic systems and drives. Mr. Turowetz was represented by his attorney and engineer. Revised site plans were submitted, with additional plan showing conservative area. Planning Board must approve relocated lot lines, but applicant requested that hearings be closed. Orders will issue.

John E. Smith, Front Street and Brookhaven Lane - continued hearing on 5 Notices of Intent for construction of dwellings, drives, septic systems. Engineer Robert Cattley represented owners, and questioned MCC requests for further water table and rainfall data. Mr. Cattley found MCC requirements burdensome and excessive, questioned their necessity and appropriateness. N. Menzel pointed out that water samples taken from Aucoot Cove opposite relatively new houses show contamination by human enterococci bacteria, suggesting that even recently installed septic systems are sometimes in ground water. Such systems "work" in that sewage flushed away leaves the house, but they do not properly filter waste water and prevent pollution. MCC feels that such problems stem from inaccurate water-table readings. Mr. Cattley emphasized applicants' need for consistent water table standards acceptable to both Board of Health and MCC. Selectman and Board of Health member Ted Pratt who was present provided

water table reports from all Marion test wells over several months, and MCC agreed to rely on observations at County Road site. Hearings continued to 9 p.m. June 21.

Town of Marion, Lewis Street - Request for a Determination of Applicability for selective tree cutting, planting of new trees and shrubs along Town right-of-way to Silvershell Beach abutting Croll property. Proposed landscaping will be paid for and guaranteed by Mr. Croll. A negative determination was voted.

Carl Chris Gomes, Point Road - Request for a Determination in order to clear, fill and create a lawn. Applicant strongly objected to MCC ruling that work area was a wetland and should be left in its natural state, questioned justice of MCC action, cited personal knowlege of residents in past years who filled wetlands to make lawns or yards and gardens. MCC cited recent cases where such actions resulted in enforcement orders and requirements to restore filled areas. Commissioner N. Menzel informed Mr. Gomes of his rights to appeal MCC decisions. Hearing was closed, and a positive determination was issued; applicant was directed to replace removed hydric soil, plant grass, and refrain from mowing or cutting so that wetland vegetation can re-establish itself.

erator, and replace existing drain pipe emptying into harbor. Engineer Stanley White presented specifications of proposed catch basin, revised site plan, and proposal for monitoring and maintaining oil/water collector. MCC directed that new drainage pipe empty at the boat-lift pit rather than at the beach in order to prevent erosion. Waste water is expected to be cleaner than water leaving present drain untreated. Hearing was closed. Commissioner Barbara Burr was absent from the room during this hearing.

MCC agreed to accept gratefully the offer of Rochester Selectmen to provide Rosa rugosa needed at Marion's Planting Island Causeway Beach at no cost. The roses will be moved at a later time, during cool weather.

Site visits by DEQE personnel are scheduled for June 22nd at Shellheap Road, Bayberry Lane and Planting Island.

Request for Determination form received from Commonwealth Gas Company for replacement of gas line along north Front Street and crossing Benson's brook was lacking a page; applicant will be informed.

New Center School Principal

At its meeting of June 12, 1989 the Mattapoisett School Committee appointed John F. Murphy as Principal of the Center School, Mattapoisett, Massachusetts. A resident of Sandwich, Mr. Murphy has a Bachelor of Arts Degree in Special Education and Elementary Education from Boston College, a Master of Education Degree in Counseling from Bridgewater State College and a Certificate of Advanced Graduate Studies in School Administration from Bridgewater State College. He served for several years in the Plymouth, Massachusetts schools and most recently as Housemaster, K - 3, at the Sandwich Elementary School. He will assume his duties in July.

(In last week's Presto we reported that Mr. Murphy would assume his duties in June. We apologize for the error.)

Host Families Needed

On Saturday, July 1st, twenty-five Finnish high school students will arrive in our area to participate in an academic and cultural exchange program. They are accompanied by a bi-lingual adult teacher and each of them will live with an American host family. On weekdays they will attend English language classes and participate in planned excursions and recreational activities. Students will have every evening and weekend free to spend with their host families.

Host families need not have children living at home; grandparents and single parents are excellent hosts.

The students will return to Finland July 29th. All but five of them have been match-

brand new musical Kate, based on the memoirs and life of the legendary American singer Kate Smith. The adaptation is done by journalist/actress Joyce Wirth and former Pulitzer Prize nominated poet George W. Hayden who is also directing the production. Mary Witkowitz of Miss Mary's School of Dance in New Bedford is the choreographer and Toni Weeden the musical director. A trumpet, bass violin, flute, drums and saxophone, along with an electric guitar are needed for the blues and jazz combo. For more information and auditions phone today, 295-6768. A few supporting character roles including Ms. Smith's grandpa are also open.

Kate is scheduled to premiere on August 18 at the Gateway Playhouse in Wareham.

Fire Departments from many southeastern communities will compete in 5 events for prizes and trophies. Food and drinks will be available. Admission is free.

Weekly Walk: Ospreys

After a precipitous decline in population following the prevalent use of DDT in the 1960s, the majestic Osprey is now a familiar sight soaring and hovering over the estuaries of Westport and Dartmouth. The success of this fish-eating raptor in our area is in large part due to the efforts of Gil and Jo Fernandes, who have erected dozens of nesting platforms for the birds and monitored their breeding success in great detail.

On Sunday, July 9th, at 9:00 a.m. Gil Fernandez will lead a Lloyd Center weekly walk focusing on the life history of the Osprey. Using binoculars and a spotting scope, participants will have the opportunity to observe Osprey adults and young in their nests (participants should bring their own binoculars). Mr. Fernandez will share information he has gathered

SUMMER PROGRAM IN COASTAL STUDIES

If you are a high school student or a student who will enter the eighth grade in the fall you can make this summer unique. Spend it with the Lloyd Center for Environmental Studies and learn about the environment around you. The eighth grade program will focus on the Forces that Shape the Coast, and the high school program will be Photography and Natural History. There are a few spots left in each of these programs.

The Eighth grade program meets July 31-August 25, Monday-Friday, 8:30-3:00. In this four week program students will investigate the forces that continually act upon the coast. Currents, tides, waves and the ice age are topics that will be included. Students will go canoeing, on an overnight camping trip, on a whale watch and will learn "new games", fun non-competitive group building skill games.

The high school program meets July 5 - July 28th, Monday - Friday, 8:30-3:00. In this program students will learn to use a 35mm camera, process and develop their black and white film as well as study the coastal ecology of this region through scientific research methods. The students will also go on an overnight camping trip, a whale watch, learn basic canoeing skills and other skills needed for research and photography.

The fee for these programs is $300. for Lloyd Center members and $350. for non-members. The fee includes costs of in-

Jazz Pops Ensemble

The Jazz Pops Ensemble will perform on Sunday, July 2nd, at 2 p.m. on the Outdoor Concert Green at Heritage Plantation of Sandwich. This excellent quartet is returning for the third year to play for the Museum over the July 4th weekend.

Fred Buda, Boston Pops percussionist, and Bob Winter, Boston Pops pianist, will present an afternoon of jazz. The quartet, which also features Mike Monaghan on saxophone, clarinet and flute, and Mark Henry on bass, performs unique interpretation of old and new favorites. Covering a complete range of material from standards to the classics, the Jazz Pops Ensemble puts on an outstanding concert.

This year's concert is funded in full by a generous grant from Plymouth Savings Bank.

The Jazz Pops Ensemble features performers from the Boston Pops who will play in the Annual Independence Day Concert at the Hatch Shell on the esplanade on July 4th.

Please bring a lawn chair as the Museum does not supply chairs for the audience. For more information please call 888-3300.

Liberty Hall Jazz Band

The Liberty Hall Jazz Band will perform on Wednesday, July 12th, at 7:30 p.m. at Heritage Plantation of Sandwich. The performance will be held on the Outdoor Concert Green.

This all-senior group is directed by John Ciccolo, a Centerville resident, who formerly played with Bobby Hackett and Ray Conniff. The Band formed four years ago after a meeting of the Osterville Men's Club. In the beginning Ciccolo came up with the idea of forming a trio to play at charity affairs. Today, while the band size has increased to nine members, its philosophy has not changed.

The purpose of the group is to entertain wherever possible to raise funds for the restoration and remodeling of Liberty Hall (the Marstons Mills Community Center) and to perform for people who enjoy jazz and Dixieland music.

The band members are all retired business executives and most of them played with name bands during the 1930s and early 1940s.

Please bring a lawn chair as the Museum does not supply chairs for the audience. For more information please call 888-3300.

Tickets for the day are good for all exhibits and events held on the grounds that day or for an event that might occur in the evening.

The Museum is open 10:00 a.m. through 5:00 p.m. daily seven days per week. Tickets are $7. for adults, $6. for Senior Citizens and $3. for children under 12; 5 and under are free.

Emergency Medicine at Tobey.

Hospital staff will answer questions and distribute literature on First Aid and Accident Prevention. Knowing what to do in an emergency can mean the difference between life and death. Booths under the hospital's tent will feature: Safe Summer Eating, CPR training information, Cardiac Rehabilitation, First Aid for adults and children, and more. Tobey Hospital's Safe Summer Fair is open to the public and is free of charge.

Lawn Party, Chicken Bake

St. Anthony's Church, Gault Road, West Wareham is having its annual lawn party and chicken bake.

The chicken bake will be on Friday, July 14th at 6 p.m. at the Redmen's Hall, Main Street, Wareham. Tickets must be purchased in advance from committee members.

On July 15 from noon to 10 p.m. (rain dates 16th) we will have our lawn party on the church grounds.

There will be food, games, moon walk, visit from Big Yellow Bird, radar gun, live band, cake sale, raffle tickets for major prizes and our popular penny sale.

members of the Class of 1991 and were selected from the top ranking sophomores at the school. Four students will attend in the fall with the other four participating in the spring 1990 semester.

The Spotlight Program at Southeastern Massachusetts University is an enrichment activity which provides a bridge into higher education for high potential 10th and 11th graders. The curriculum introduces students to the larger realm of creative intellect, artistic endeavor, social consciousness, and personal commitment. The Old Colony students will join students from twenty other high schools in southeastern Massachusetts.

Selected for participation were: Fall 1989 semester, Jason Casmira of Acushnet, Suzanne Mercier of East Freetown, Paul Strobis, Jr. of Carver and Dennis Tripp of Mattapoisett; Spring 1990 semester, Christine Buckley, Keith Jodoin and Carrie Tomkiewicz, all of Acushnet, and Ronald Pratt of Carver.

STUDENTS AWARDED SCHOLARSHIPS

As a result of the generosity of the "700 North Avenue Resident Association", three graduates of Old Colony Regional Vocational Technical High School will be assisted in their attendance at college next year.

The Rochester resident association recently established a scholarship program for Old Colony graduates wishing to pursue a college education.

Recipients of the scholarships were Bruce Bachand, an Acushnet resident from the drafting department who will be attending Wentworth Institute, Victoria Camacho, a Mattapoisett resident from the data processing department who will attend Salem State College, and Paul Holmstrom, a Rochester resident from the culinary art department who plans to attend Bridgewater State College.

The scholarships were presented at Old Colony's Awards Night Ceremony by Association member Marie McCarthy.

FOUR COUGARS SELECTED ALL-STARS

Four members of the Old Colony Regional Technical High School Softball Team were selected recently to the Mayflower League All-Star Team.

Kathy Gomes, Victoria Camacho, Laurie Nunes, and Cherie Sanville were selected as the result of their outstanding play during Old Colony's 1989 Softball season. All four students graduated from Old Colony on June 4th.

Kathy Gomes and Cherie Sanville are residents of Carver who studied Cosmetology. Victoria Camacho and Laurie Nunes are both Mattapoisett residents who graduated from the Data Processing Program.

BASEBALL PLAYERS SELECTED ALL-STARS

As a result of a successful campaign four members of the baseball team at Old Colony Regional Vocational Technical High School were selected for the Mayflower League All-Stars.

All four student athletes graduated from Old Colony on June 4th. The Mayflower All-Stars are: Bruce Bachand, Pitcher, from Acushnet; Scott Bindas, Shortstop, and Lee Hamilton, Second Base, both from Rochester; and Derek Dumond, First Base, Carver.

The team qualified for the State Baseball Tournament.

STUDENTS TRAVEL TO OKLAHOMA

Two students from Old Colony Regional Vocational Technical High School will spend June 26 through 30 in Tulsa, Oklahoma competing in the National V.I.C.A. competition. V.I.C.A., Vocational Industrial Clubs of America, is an international organization which sponsors skill olympics in numerous vocational areas.

Michael Christen will represent Massachusetts in the Carpentry area, and Caprice Ditullio will compete in the Interviewing Skills Competition. The students were the

Boating Safety

U.S. COAST GUARD AUXILIARY

HYPOTHERMIA

Hypothermia, caused by cold water, is an insidious killer thought to be responsible for half of all boating deaths. Hypothermia, which is the loss of body temperature, kills people in cold water by reducing their ability to swim or stay afloat. A person in cold water can eventually die of cardiac arrest if he is not rescued and rewarmed.

Cold water chills 25 times faster than cold air. To minimize the effect of hypothermia, the National Safe Boating Council advised people to attempt immediately to get back into the boat or climb onto the overturned boat. They should not remove their clothes. Clothing, even while wet, will hold in body heat somewhat as a diver's wetsuit does.

If a person in the water can't get back in the boat, but is wearing a life jacket, he should assume the heat escape lessening position (H.E.L.P.). The arms are crossed over the chest, ankles crossed, knees drawn to chest, hands kept high on the shoulders or neck. If the hands are kept out of the water, they will stay warmer and more flexible.

MARTHA'S VINEYARD
YOUR ISLAND NEXT DOOR

The unspoiled charm and proximity of Martha's Vineyard Island make it a favorite getaway. No matter how long your visit, the Island has much to offer anyone looking for a quiet retreat or a fun-filled time. Part of the fun of visiting the Island is sailing aboard the Ferry Schamonchi. Since it departs from historic New Bedford, the Schamonchi offers the convenience of avoiding Cape Cod traffic. You'll sail in comfort during the 1½ hour cruise - roaming three decks or eating at the snack and cocktail bars.

DIRECTIONS

From Route I-195 take Downtown Exit 15 (Route 18 South). Continue on Route 18 to third set of lights, turn left and follow signs to our day and overnight parking lot across the street from the Schamonchi Dock and Billy Woods Wharf. Limited Shuttle Bus Service available to the Elm Street garage.
